### FINANCIAL STATEMENT:

Payment for dental treatment is expected when services are performed. We accept checks, cash, Visa or Master Card. If you have dental insurance we will be happy to file any claims, however, you are still responsible for your account. Dental insurance coverage on your child rarely covers all expenses. Obligation for payment still belongs to you. Accounts are due and payable as work progresses, regardless of insurance. Any overpayment on your account will be refunded to you when child's dental work is completed.

Any account delinquent over 30 days will be turned over to our lawyer for collection. There is a \$50.00 return check charge and any check not paid in cash on demand will be turned over to the district attorney for prosecution.

In order to make ideal dental care available to as many of our patients as possible, on more extensive cases (\$200.00 or more) we will submit a pre-determination of benefits to the insurance company.
